Subject: WWE - Class Certification

Counsel,

We are still considering whether to add an additional class representative at class certification. If we do so, and given the expedited schedule, we intend to treat all discovery requests served on the Lead Plaintiff as served on the additional class representative and do not foresee any impact on our ability to meet our scheduled discovery obligations. If we do add a class representative, we will promptly amend Initial Disclosures and all discovery received to date.

To accomplish this in an orderly fashion, we ask for Defendants to consent to a seven day extension to the September 23, 2020, deadline for joinder of additional parties, which we can do without application to the Court. ECF No. 79 at 2. Given the timing, we request your response promptly and are available to discuss by phone. If you decline to grant this extension, we ask that you make yourselves available to call chambers later today.

To be clear, we are not seeking an extension to add any Defendants.

Alec
